

PHONEME BLENDING TASK Score Sheet

Administrator: Date:

Child's ID: (code)		Sex:		Age (years & months):	
School Name: (code)				Year Group/Grade:	

This session should be audio recorded.

Training pictures (SUN, SHEEP) should be close to hand.

In every response, correct or incorrect, the Administrator transcribes exactly what the child says. Discontinue after six consecutive errors with NO OVERLAP between the child's production and the phonemes in the target word.

*The short version of the test, for Reception Year children, ends at item 10.
